THE HIGHFIELD EVENT GROUP

Providing luxury marquees and event management, allowing you to create the perfect setting for any occasion.

Our dedicated and experienced teams pride themselves on delivering a professional and personal service.

Working with our bespoke logistics software we have the ability to maintain accurate stock levels at all times, ensuring your event runs perfectly from start to finish.

EVENT MANAGEMENT

The team pride themselves in capturing their clients' ideas and inspirations then turning them into their dream event, be it a wedding, a party or a corporate event.

Happy to be involved in as much or as little organisation that their clients may require, Claire and her team of Event Managers are happy to arrange marquee design, catering, entertainment, DJ, floral displays, specialist lighting, guest transportation, photography, bars, security, fireworks and much more.

Whether you choose to plan your own event and have the security of one of our experienced Event Managers there on the day to pull it all together or hand it all over to the team, you will be able to enjoy your special time completely.

1. HIRE A MARQUEE

TRADITIONAL CANVAS MARQUEES

Our traditional canvas marquees provide the quintessentially English backdrop to help create a magical setting. Our event managers will work with you to plan your special day... whatever your dream, we will help you bring it to life.

CLEARSPAN FRAME MARQUEES

For a more modern take why not try one of our contemporary marquees? The flexibility of a clearspan frame marquee allows you to let your imagination run wild.

CORPORATE STRUCTURES

From Agricultural Shows to Conferences and Exhibitions, The Highfield Event Group can help you create a showcase for your business, allowing you to enhance your brand values and create a truly memorable event.
